Pre-wire (Rough-in) Costs

January 18, 2008

Application	Cable Cost per foot*	Installed Cost per foot*
Master Antenna Connection in your attic or on roof top, Cable TV Service Connection, or Satellite Dish Service Connection	Monster Cable RG6Q Quad Shield Cable (\$0.50)	\$0.90
Telephone, Internet, Computer Networking or Multi-room Keypad/I.R. Control	Monster Cable Cat 6 (\$0.60)	\$1.00
Home Theater, Multi-room or Stereo Speakers using Monster Cable	16 gauge 2 conductor (\$0.70)	\$1.10
	16 gauge 4 conductor (\$1.20)	\$1.60
Home Theater, Multi-room or Stereo Speakers using Monster THX Cable	16 gauge 2 conductor (\$1.20)	\$1.60
	16 gauge 4 conductor (\$1.40)	\$1.80
Home Theater, Multi-room or Stereo Speakers using Monster THX Cable	14 gauge 2 conductor (\$1.30)	\$1.70
	14 gauge 4 conductor (\$2.10)	\$2.50
CCTV Camera Connection for Patio, Pool or other locations	Belden RG59 Copper, 16/2 power cable (\$0.60)	\$1.00
Multi-room Keypad/I.R. Control	22 gauge 8 conductor (\$0.50)	\$0.90
Internet, or Computer Networking Connection	62.5 Multi-Mode Fiber Optic (\$0.80)	\$1.20
Futurelogic Plus	(2) Quad, (2) Cat 5, (\$3.00) (2) Fiber optic	\$3.50
Future Connection Provision	1" Flex Conduit (\$1.40)	\$2.20
Future Connection Provision	2" Flex Conduit (\$2.40)	\$3.40

Installation requires 12" exposed cable at outlet and 72" exposed cable at distribution point. Additional charges that may apply are routing cables through structured beams, framed corners, or insulated walls. Extra cable may be required to avoid structured beams and electrical interference areas. Service includes construction boxes, cable and labor. Wiring at Pre-wire rates must be done before insulation and wallboard is installed.

*Because the cost of rough-in wiring is calculated on a per foot basis, rather than actual time spent, any time spent designing systems, or locating outlets prior to starting to run cables will be billed at a \$80. per hour labor rate.

Pre-wire service does not include Trim-out service. (Trim-out service is the purchase and installation of terminals to the cables.)

*System purchases of 4 times pre-wire cost pays for 1/2 of Pre-wire. 8 times pays for 3/4, and 12 times pays for all of your Pre-wire Charges.
